### A SPECIAL WELCOME TO WAIKATO DISTRICT COUNCIL

A special "Welcome aboard!" this month goes out to Waikato District Council (WDC) this month as the newest members of the CS-VUE online community.

The consent data has been imported and now Abhishek is currently working with WDC to create a project plan for certified implementation.

We look forward to getting them up and running live with CS-VUE in the very near future.

### **BY THE NUMBERS - \$37,500 FINE FOR TAHARUA FARM**

The farm that employed the Dairy Manager of the Year has been convicted with a record environmental fine.

A record fine has been handed down by the Environment Court in Napier today to the Crafar Group dairy operation, Taharua Farm, for breaching its resource consent. Taharua Farm has been fined \$37,500 after Hawke's Bay Regional Council laid charges for the discharge of dairy effluent that was well over the resource consent conditions.

This is the largest fine in New Zealand for a single dairy effluent charge.
